BOSHKA

Some of you don't know that Boshka has worked at Good Times for five years! (apart from that time she moved to Sweden but missed us all so much she was back in two months) Not only does she do beautiful tattoos, she also likes to play her gong and will soon be a qualified Naad Yoga teacher. If you ask her nicely she might start doing gong baths here at Good Times. If it's a sweet tattoo you're after from her, just contact the studio or her directly. @boshkatattoo
